Anna Coyote Athletic Boosters

The Anna Coyote Athletic Boosters exists to support and encourage Anna ISD athletic teams by providing positive interaction between schools, coaches, students and community through fundraisers and promoting a positive image.

Volunteer Opportunities

Throughout the year, ACAB raises funds to be used for:

- awarding college scholarships to graduating senior athletes
- sponsoring the year-end athletic awards ceremony
- providing various equipment to AISD athletic programs

To be successful in these endeavors, every athlete (7th grade & up) and parent is asked to work at least one shift throughout the 2018-19 year.

For **every** shift you work in the 2018-19 year, you will:

- choose which AISD athletic program will receive \$20
- receive \$3 in Coyote Bucks to be used toward AABC spirit wear or concessions
